Poster Presentations

Poster presentations aim to be interactive sessions for critical exchange between presenters and their audiences. They also provide an excellent opportunity for congress participants with common interests to meet and discuss

Submission of Proposals

The ultimate deadline for submitting papers and poster proposals is February 28, 1994. If you or your colleagues are interested, please send to the Scientific Committee your suggested topic, including the title and an abstract (200 words) of your presentation.

Submission of Proposals

GENERAL CONDITIONS FOR PARTICIPATION

- Participants proposing a paper or poster should send an abstract, by submitting the attached **Abstract Submission Form (ASFs)**
 - All program participants must pay for their registration, prior to inclusion of their papers in the Congress Program.
- Papers**
- Papers will be grouped by the division or area chairpersons within 2 to 3-hour time periods.
 - 15 to 30 minutes will be allotted for each presentation.

Posters

- Posters will be allocated a surface of 97 x 90 cm. Authors will be informed in due time of the place, time and duration of the display.
- Posters must be clearly readable from a distance of approximately 1 meter.

Workshops

There will be workshops covering a wide range of topics, all of them to be held during the six days of the Congress. No additional fee, further to the registration fee, will be charged for participation in any of these workshops. This is the provisional list of workshops already submitted. The final list will be available by January 1994, by fax or E-mail. The language used in the title indicates the language that will be used by the organizer of each workshop.
